olivia.

a versatile
seating solution

Everything and more.

A comprehensive, versatile range of elegant, sturdy yet comfortable visitor chairs. The collection offers a comprehensive family of seating for visitors, meetings, training sessions or conferences in both office and contract environments.

The ergonomic curve of the backrest is designed to fit the user's back snugly, for lasting comfort, and its extremely sturdy, steel elliptical tube frame adds a touch of originality.

This fully stackable chair has been designed for intensive use in rows, in lecture theatres and conference rooms whose needs in terms of layout and organisation change with each new event. Olivia can easily be handled and stored. Stacking guide glides allow them to be quickly and simply stacked without scratching the frames, or marking the upholstered seats, if specified.

Features_

- Designed by Iratzoki and Lizaso
- Minimalistic design
- The single seating shell is designed to fit the user's back
- A monochromatic shell and frame provides a graphic silhouette
- Cast aluminium armrests
- Folding tablet arm
- Occasional task chair format
- Upholstered seat cushion option
- Verco 5 year warranty

Olivia - with or without arm rests and in four colours

Olivia - with an upholstered seat cushion and a writing tablet

Olivia – superior stacking with clever stacking guides

or as an occasional task chair
